

BAUM Hang-on Delivery Stacker

Same as standard hang-on delivery. Recommended when right angle units are used separately.
Requires BAUM independent power box.

This item is normally standard equipment with all 1st station parallel folders. The need to order the hang on delivery stacker separately occurs when a 2nd or 3rd station right angle folder is sold to operate independently.

Please note: This equipment is available through select Baum folder dealers only. Please contact our Sales department for the dealer nearest you.
