

BAUM PS Creaser

The BAUM PS Creaser provides a robust design with a maximum sheet size of 19.68 in. wide x 27.55 in long. An optional feeder extension is available for both models that can extend the maximum sheet length to 33.46 in. This compact design can rapidly produce 7000 sheets per hour of 11 inch long sheets with a single crease or perforation.

The BAUM PS Creaser can be adapted to BAUM folders to make a complete solution for feeding, creasing and folding in just (1) pass. BAUM has also introduced a new adjustable cart for the BAUM 714XLT 8-page right angle folder to be able to adapt the 714XLT 8-page folder to the BAUM Creasers.
